

New Isotherm freezer

Isotherm by Indel Marine launches a new stainless steel freezer in their INOX range. Cruise 63 is a front opened freezer made in the same outside dimension as Cruise 85 refrigerator to allow side by side installation fridge/freezer. The extra thick insulation gives an very low power consumption, something Isotherm by Indel Marine are well regarded for. Cruise 63 will also be available in a standard version with grey door front. A manual icemaker device is also available as option.

H- 625 mm, W-475 mm, D-505 mm
