

New Isotherm drawer “frost free” freezer

Isotherm by Indel Marine launches a new drawer freezer in their INOX range. DR55Freezer is a pull out drawer made in the same outside dimension as DR65 refrigerator to allow side by side installation fridge/freezer. The extra thick insulation gives very low power consumption, something Isotherm by Indel Marine is well regarded for. The new freezer is frost free which is unique and it do not need to be defrosted manually. An automatic de-frost cycle is integrated. The spill water controlled is led out from the freezer and evaporates on rear ride. The interior got a fan evaporator to control the temperature and two robust drawers. H- 530 mm, W-470 mm, D-540 mm

For further information about the new range INOX refrigerators from Isotherm by Indel Marine, contact Indel Marine on +39 0541 848030 or log onto www.isotherm.com
