

Fashion fridge doors

Indel Marine Italy now introduces a new style of fashion design door for their Isotherm by Indel Marine INOX refrigerators. The unique white glass surface gives the fridge a fresh look that fit in to the new interior design in prestige power boats. The small and simple door lock breathe simplicity and minimalistic design. The new glass door will be available on most Isotherm by Indel Marine INOX models.

For further information about the new range INOX refrigerators from Isotherm by Indel Marine, contact Indel Marine on +39 0541 848030 or log onto www.isotherm.com
